## TEXPEN® TEXTILE MARKERS

The Texpen® "T" Stock Textile Marker, like the Textile Dalo®, provides a bright, sharp, rapid-drying permanent mark on synthetic and synthetic/cotton blended fabrics.

- Heavy duty aluminum body
- Precision rolling ball tip
- Choice of fine, medium and broad tips (tips are color coded)
- Rubber bulb flow control
- Perfect for use in textile labs for marking test swatches
- Ergonomically correct marker allows you to mark at all angles, even upside down

Available Colors/Product #

- Blue - 91309
- Red - 91982
- Green - 91312

**WARNING:** This ink may not be fugitive on certain fabrics and yarns. Please test suitability before use.

## TEXTILE SCOUR-OUT® MARKERS

The Scour-Out Marker makes a sharp, clear, bright, fugitive mark directly on fabrics and yarns. This mark will disappear without a trace during scouring or boiling-off process.

- Large, heavy duty plastic body
  - Long-lasting ink supply
  - Valve action mechanism won't allow ink to dry out
  - Replaceable fiber nib # 99015
  - Won't brush off or "set" like chalk and can't get lost like clipped-on tags
- Perfect to identify fiber content, lot or style number, and defective areas on fabric

The DYKEM® ACTION MARKER® HD is a heavy-duty, quick-dry, truly permanent ink marker which is xylene-free. This valve-action marker features a fiber tip and an industrial strength ink ideal for permanent identification of parts or accessories. The clear, crisp marks resist fading even when subjected to varying, extreme climates. ACTION MARKER® HD won't rub off slick surfaces like plastics and shrink wrap.

- Permanent ink writes on smooth surface such as metal, aluminum, steel, plastics, and more
- Marks withstand dirt, oil, grease, extreme weather conditions and even degreasing solvents
- Interchangeable and replaceable tips available
- 6 to 8 times the writing life of most other capillary markers of comparable size
- Drying Time: 15 - 20 seconds

**Available Colors/Product #'s:**

- Black - 44203
- Blue - 44179
- Green - 44177
- Red - 44819
- White - 44175
- Yellow - 44401

## LAUNDRY & DRY CLEANING PEN

**Available Colors/Product #**

- Black - 33803

Laundry & Dry Cleaning Pen withstands repeated caustic high temperature washing, dry cleaning and laundering. The fine point fiber nib allows for precise marking on fabric.

- Fine, bright, sharp, rapid-drying marks
- Filled with more ink than competitors of comparable size
- Valve action mechanism won't allow ink to dry out
- Replaceable fiber nib
- Snapping cap with pocket clip

## INKS

Textile Bulk Inks ("T" Stock) are the same formulation as the ink contained in the Texpen® and the Dalo® Textile Markers. These inks will produce bright, sharp, rapid-drying results on synthetic and synthetic/cotton blended fabrics.

- Available in gallon, or five gallon containers
- Available in other colors by special order (stamp inks also available)
